Board Role Description

CYN is expanding its board of directors and is seeking qualified candidates. Our ideal board candidate is passionate about our vision of reducing stigma, increasing access, and providing effective mental health services. Serious candidates need to be well respected and connected in the community, be willing to act as ambassadors for CYN by speaking to our mission of *preserving families and protecting children* and connecting us with those who will bring awareness and financial support to CYN. As we are on a growth trajectory, we are looking for professionals who can provide support and guidance as we expand our programs and facilities to meet the increasing mental health needs in our community.

If interested, please reach out to Gail Weil, Executive Director at gailw@cyngrayslake.org
