

April 2022 Agency Update

April is
**NATIONAL CHILD ABUSE
PREVENTION MONTH**

In 1978, CYN Counseling Center began as a case coordination agency for the most complex cases of child abuse. While today, we are a comprehensive, mental health facility for all, we still maintain the standard of keeping children safe and healthy. Programming & Impact: FY21 Annual Report

2021 Annual Report Now Available

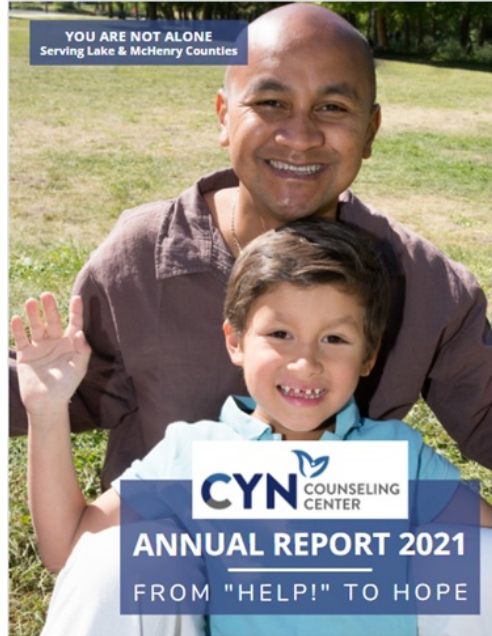

Last fiscal year, **YOU** helped us help more community members than ever before and we love every opportunity to highlight our achievements together!

In 2021, **YOU** allowed us to help **22% more** go

From "Help!" to Hope

and we look forward to seeing what our work together will achieve in this new year & beyond.

Thank you!

NOW SEEKING SPONSORS

We are excited to bring an expansive calendar of community outreach & education in May, & we need your help!

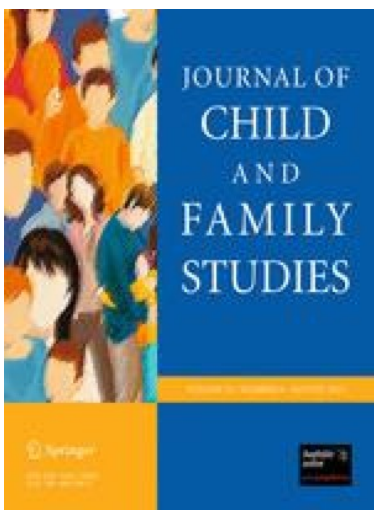

Ongoing community issues including domestic violence, incarceration, homelessness, addiction and much more can all be supported through mental health treatment... but it takes a community to achieve lasting change.

Together, we can create a permanent, positive change.
